

Elliott Smith – Everything means nothing to me

INTRO

A/ Someone found the future as a statue in a fountain
 At attention, looking backward in a pool of water

G#	C#m	A	B
A	G#	F#m	F#dim

B/ Wishes with a blue songbird on his shoulder
 Who keeps singing over everything
 Everything means nothing to me
 Everything means nothing to me
 Everything means nothing to me

Ebm	F (intro)	

I picked up the song and found my picture in the paper
 The reflection in the water showed an iron man
 still trying to salute
 People from a time when he was everything he's
 supposed to be

Everything means nothing to me
 Everything means nothing to me
 Everything means nothing to me
 Everything means nothing to me
